

### Brand Consistency

Ensure consistent branding across your entire organization.

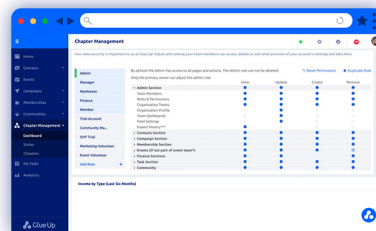

### Account Access

Need more information on the goings on at the local level? Easily access all of your accounts with Chapter Management.

### Shared Event Calendar

One event calendar with all of your chapters' activities. Increase value of your memberships by allowing members to see events across the entire organization.

### Administrative Control

Control who has access, and what they have access to. Set access levels by user to ensure the integrity and security of your data.

**Glue Up™** works to transform the way professional communities enable and enrich relationships. Our solutions generate efficiency, engagement, and more time for organizations in more than 50 countries worldwide.

**Chapter Management**

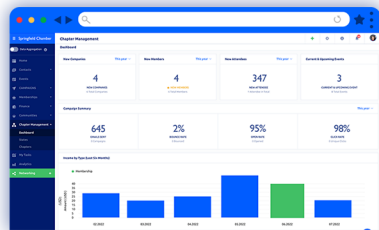

SOFTWARE

# Chapter Management SOFTWARE

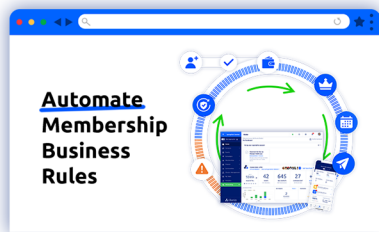

## Grow Your Organization from the Ground Up

**Chapter Management** is architected and arranged to suit any access and visibility structure across multi-tiered organizations.

### Data Aggregation

**Glue Up™** unified dashboard automatically transfers data from chapters and affiliates to your regional or national headquarters.

### Universal Membership

Allow your members to sign up at the National Level, the Chapter Level or anywhere they please.

# We mean it when we say it's **All-in-One!**

### CRM

Centralize all your data in one place and get deep insights into your community so you can understand engagement and improve your campaigns.

### Event Management

Take care of your online and offline events from the first idea to the follow-up.

### Membership Management

Increase productivity and simplify your operations with the software that helps you build, manage, engage and understand your community.

### Community

Connecting your community is more important than ever. Enable business networking to happen in this tailor-made private social media platform designed to protect your community's information.

### Website

Upgrade your online presence with a professional, mobile-responsive website that seamlessly integrates with your Glue Up platform.

### Finance/Invoicing

Manage invoices, deliver receipts, grow revenue, and accept payments in multiple currencies with credit cards, bank transfers, or other online payments.

### Speed Networking

Empowering your members or attendees to engage and build connections is more important than ever. Recreate the value of 1-on-1 in-person meetings without any of its limitations.

### Surveys

Easily create surveys, quizzes, and polls for different audiences to gather and analyze their opinions and preferences.

### Email Campaign

Personalize your communications and grow your organization with branded email campaigns, newsletters, and event invitations that can be built and sent in a few clicks.
